Sir,

With reference to your no 3013/4078 dated 2 September 1897 forwarding proposed amended copy of Government Notfecation dated 14 January '92 regarding the rules for the admission of pupil and Inter School rules and requesting my opinion as to the proposed amendments so far as they relate to the Central College I have the honour to reply that I approve of all the proposed amendments with a single exception, which is however an important one this is in Rule 1 which makes the First and Second Terms the same for all classes, whereas in the Junior F A and Junior B A classes of the Central College and I understand also of Mysore and

and Shimoga colleges the First Term has all along been counted as ending on the 30th June and the Second Term as including July to December This is on account of the lateness of publication of the University results which would make the First Terms of these classes only a few weeks in length otherwise the hot weather holidays begin about the 20th April and last for 6 weeks and these classes have to get off a week before this as the whole college is occupied with the 1st Term Examinations of the other classes This matter was the occasion of much correspondence with the Registrar of the Madras University (at that time Dr Wilson) many years ago when Mr Rice was Education Secretary and for some reason which I do not know (because the correspondence lay between the Education Secretary and the Registrar) no attention was paid by the Registrar to the representations and the

University

University authorities have continued all along to publish erroneously in the calendar, the arrangement of Terms in the Central College and Mysore College generally. It is therefore all the more necessary that in the new issue of the Notification this should be distinctly inserted. I would therefore suggest that the following be added to that Rule "except in the case of the Junior F A and Junior B A classes for which the First Terms shall be reckoned as ending 30 June and the Second Terms as including July to December"

The amended copy of Government Notification dated 14 January 1892 is herewith returned as requested

SIR

With reference to your docket No 3456/Ed 92 dated the 15th September 1897, I have the honour to inform that Notification dated 14th January 1892 regarding the Inter-School Rules applies to schools only and not to the F A or B A classes of Colleges The interests of the F. A and B. A Classes are sufficiently guarded by the University which requires certificates of attendance in affiliated Colleges for a number of terms A student who has commenced keeping a term in a College is not likely to leave it before the end of the term, and it

is doubtful if the University will permit a student to count the attendance of one and the same term partly in one College and partly in another The question raised by Mr Cook seems to me foreign to the Inter-School Rules which apply only to the High School Department and not the College Department of the Central College

No 1349 31—Ed 306, dated Bangalore 18th April 1898

Order thereon —Mr Cool in his letter No 208 dated 12th February 1898 reported that the above named Rangasamiengar was dismissed from the Central College for having obtained admission into the V Form of the Central College by means of a false or forged certificate purporting to have been signed by Revd Mr W Holdsworth of the Wesleyan Mission High School Mysore Mr H Ramanujaiengar forwarded with his letter dated 6th February 1898 an explanation given by his son to the effect that the certificate in question was delivered to him by the monitor of the IV Form of the Wesleyan Mission High School Mysore that he was not able to discover this mischief and that he was innocent. On the 19th March 1898 Mr H Ramanujaiengar forwarded a fresh leaving certificate and a certificate of good conduct obtained by his son Rangasamiengar from the Revd Mr Stanley Edwards Vice Principal of the Wesleyan Mission High School, Mysore Mr Cool to whom these papers were sent stated that the student in question might be readmitted into the Central College on the authority of the new certificates produced on his tendering a written apology to him.

2 Thereupon the Government in their Proceeding No 197 0 71—Ed 331 dated 6th April 1898 passed an order to the effect that if Mr Cool was satisfied that the second certificate was granted by Mr Stanley Edward with full knowledge of the circumstances connected with the forging or falsification of the first certificate and that the boy was not altogether to blame and deserved clemency the Government would have no objection to his readmission into the Central College on his tendering a suitable apology in writing to be previously approved by Mr Cook.

3 In the letter under reference Mr Cook points out from a copy of Mr Stanley Edwards letter that the boy obtained the fresh certificates by means of a series of further misrepresentations and he therefore finds himself compelled to finally decline to re admit the boy into the Central College

4 The Government regret to learn that the fresh certificates produced by Rangasamiengar were obtained by false representations and that the Revd Stanley Edward of the Wesleyan High School granted them without any knowledge of the antecedents of the case Under these circumstances Mr Cook had no alternative but to finally decline the boy's re admission into the Central College Bangalore The Government see no reason to interfere with Mr Cook's order

5 To prevent a recurrence of frauds and irregularities of the kind disclosed in this case it seems necessary to amend Rule 5 of the revised Inter School Rules No 4315—Ed 113 dated 12th October 1897 so as to provide for the maintenance in each school of a register containing counterfoils or true or attested copies of all leaving certificates granted under the said Rule The Government will be glad to be favored with the views of the Principal Central College and of the Inspector General of Education in Mysore on this point
